

Post-graduate Certificate in

SOCIAL INNOVATION MANAGEMENT

This high-intensity program in only 6 months equips you with the expertise and the insight of a Masters program, with an exclusive 4-month immersion phase in one of the global hubs for Social Innovation (São Paulo, Bengaluru or Nairobi).

As part of one of the 50 selected global participants, you will build your expertise on the ground while developing Communication, Leadership, Innovation, Management and Entrepreneurial skills with international experts and a systems perspective on the impact sector.

You will also strategize your career path and become part of a thriving community of impact professionals.

PROGRAM ELEMENTS

The 6-month Social Innovation Management program (2-month Foundation online, and 4-month Immersion in person) includes:

- ▶ 10 skills building courses run by Amani Institute facilitators and global master practitioners:
 1. The Practice of Social Innovation
 2. Self-Leadership: The Inner Journey of the Changemaker
 3. Building Intrapreneurship Skills
 4. Managing your Career in the Impact Sector
 5. Bio-Empathy: Learning Innovation Tools from Nature
 6. Storytelling as a Leadership Skill
 7. Turning an Idea into a Program or Venture
 8. Leading and Managing Social Impact
 9. Measuring Social Impact
 10. One surprise course in each location
- ▶ A 250-hour+ apprenticeship in a local organization (for those who are not already working) to immediately apply your learning on the job and make sense of the impact sector
- ▶ A wide range of networking opportunities to introduce you to the community of changemakers in the city of your immersion, with guest speakers, events, and social gatherings
- ▶ 2 intensive learning trips with your classmates
- ▶ Global dialogue video calls with Fellows from other countries and webinar with alumni to strengthen your connection to the community and learn from peers
- ▶ 6 individual support sessions during and after the program to support you in consolidating your career

WHERE AND WHEN

The Social Innovation Management program runs twice a year in Brazil, Kenya, and India, giving you the opportunity the leap into the next level of your career of meaning and impact. You can apply to join Amani Institute program

- from **February to July 2020**
(April-July Immersion in Brazil or India)
- from **July to December 2020**
(September-December Immersion in Brazil or Kenya)

WHO SHOULD APPLY

More than 480 fellows from 65 countries, aged 19 to 60, have joined one of the past 24 cohorts. Regardless of your professional background, if you are looking to build or accelerate your career in the rapidly growing social change sector, anywhere in the world, this program is for you.

All courses run in English.

WHAT YOU GET

- Personalized leadership development and professional skill-building courses taught by global experts
- A tried and tested process to develop your own social innovation, your own organization, or a topic you deeply care about
- A facilitated apprenticeship for a hands-on experience in a thriving city of innovation
- Two field immersion trips, with lots of local activities and site visits
- Regular feedback and coaching
- Assistance with immigration, and support in finding accommodation
- Access to Amani Institute Workplace learning platform and closed Alumni group for peer mentorship and support, jobs and partnerships opportunities

YOUR INVESTMENTS

Tuition fee is USD 7950 (including a non-refundable deposit of USD 1000 upon acceptance into the program). Amani Institute depends on program fees to sustain itself. Check the website and the application form to learn about possibilities of financial aid.

Please note:

This fee does not cover your airfare and entry visa to Bengaluru, Nairobi or São Paulo nor your daily expenses while there.

You can take part in the Social Innovation Management program even if you have a full-time job or your own venture.

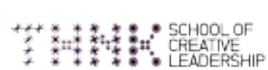

Amani's mix of classroom and field-based learning helped me change careers and mindset. If you're up for taking responsibility for your own learning, do it!"

Andy McBride, Northern Ireland

"It was a transformative experience. I found alignment with my deep intent in life, what I'm good at and what I love doing." Rodrigo Alarcon, Chile

"The Amani journey breaks borders and boundaries, and helps you realize that nothing is impossible." Toyin Inniss-Agaja, Nigeria
